Metro Minutes June 16, 2010

We would like to thank everyone for getting the word out that these Metro meetings are “open door” for all, as there was a good turnout tonight.

1. Harvey called the meeting to order at 7:30 pm. Brenda Mareth reported that Del Rio revised their bid to \$5,100 (originally \$10,000). However, she is working on donations and volunteers from Del Rio, boat dealers, tackle shops and hotels.
2. Roll Call: There were six clubs present and 2 absent. Clubs attending – Alamo, Helotes, Rebel, San Antonio Bass Club, SAPD and Universal City. Absent were SwRI and Elite.
3. Treasurer’s Report: David Cole provided the June financial report. Beginning and ending balance as of June 16th was \$5,471.58.
4. Additional details of The Boysville tournament on July 25 were provided. Guides are to arrive at 7:00 am and will furnish tackle and bait for the children. Limit is 3 fish per child. Weigh-in is 11:00 to 12:00 followed by lunch. There will be no consumption of alcoholic beverages when the Boysville youth are at the park. Metro will donate \$500 to the tournament.
5. There was discussion regarding the tournament entry fees which were increased in the last couple of years because of loss of sponsors and little money in the bank. However, in 2009 we received a sizable donation from the Zapata Convention and Tourist Bureau and this year we will receive a contribution from the Del Rio Chamber of Commerce. Additionally, we have larger bank balance. A motion to vote on the roll back was seconded. All six clubs voted to return the entry fee to the lower amount.
6. Ronnie from the TX Bass Federation reported on the Angler-Biologist meeting on Aug 7-8 in Athens, TX. Saturday is a series of presentations and the tournament is Sunday. The entry fee is \$15 which includes lunch and dinner on Saturday. The bass club is asking for donations for the auction which will be held on Saturday night.
7. Brenda advised that the webmaster is no longer able to maintain our website – the webmaster for the SABC may be available.
8. Clubs reported on their recent and upcoming events.
9. The meeting was adjourned at 8:25 p.m.

The next meeting is Wednesday, July 21st at 7:30 at the VFW Hall on Aviation Blvd, Universal City.
